March 2008

## Mardi Gras St. Louis

The Mardi Gras celebration in St. Louis is the 2nd largest Mardi Gras event in the United States. Armed with hundreds of Gospel tracts, we went to the parade on Saturday, February 2nd to bring light into the darkness. We passed out all of our tracts and then allowed the Holy Spirit to lead and guide us on whom to talk with. He led me to some great divine appointments where I was able to minister to people's specific needs or concerns.

## Western Farm Show

I was in Kansas City, Missouri on February 23rd-24th to help the Fellowship of Christian Farmers with the outreach at the Western Farm Show. It was a ripe harvest field. Many people prayed to receive the Lord as we passed out cedar sticks with a salvation bracelet attached.

The first week of March saw the launch of our new radio program, Reaping the Harvest. We are beginning in 5 different cities: Omaha, Nebraska; Mobile, Alabama; Albuquerque, New Mexico; St. Louis, Missouri and Tupelo, Mississippi.

Reaping the Harvest is primarily directed toward Christians to teach and stir them up for evangelism whereas Finding Hope, our program that airs weekly over shortwave signals to the world, is primarily directed toward the unsaved or newly saved to lead them to Christ and give foundational teaching.

God has shown me that I need to impart into others what He has gifted me with in evangelism. We developed the Evangelism Workshop and Reaping the Harvest to accomplish this purpose. We are excited about equipping the everyday Christian to participate in this last days harvest.

Please pray with us that Reaping the Harvest will encourage and instruct people in evangelism and that the financial needs to put it on the air will be met.

## Recent Speaking Engagements

We had our first Evangelism Workshop outside of our home church on Saturday, March 1st at Fenton Church of the Nazarene in Fenton, Missouri. The workshop consisted of 4 hours of teaching and then an outreach to a low-income, needy area of Fenton where we passed out food and tracts and shared the Gospel message with the people.

On March 2nd I preached at Christian Fellowship Assembly in High Ridge, Missouri. The message I shared on, the need for every Christian to evangelize, was well received.

## Thank You!

Thank you for your prayers, love and support. You make the activities of this ministry possible.

In Christ,  
Jeff Goss

## Future Events

The weekend of March 29th I'll be at Faith Church of St. Louis teaching Saturday morning on evangelism with Arthur Blessit. We will be part of an outreach to the community that afternoon.

On April 27th I'll be ministering at Victory World Outreach Church in the Washington DC area on evangelism.

Please visit our website ([jeffgossministries.org](http://jeffgossministries.org)) for more details.
