Washington DC

On April 25th I traveled to Washington DC to minister. That Friday night I shared on evangelism at Victory World Outreach Church, pastored by Jeff Wright. It was a fruitful evening of teaching and discussing of ideas with other ministers on evangelism. At one time a couple of ladies wandered into our meeting so we shared the Gospel message and led everyone in a sinner's prayer. It appeared that the visitors prayed to receive the Lord.

In front of the White House.

Saturday Pastor Jeff Wright and I along with some others from his church went out to a bad neighborhood and near the White House to evangelize. We passed out sandwiches, food and Gospel tracts to the homeless, tourists and other people we encountered. About 8 people that day prayed with me to receive Christ.

Jeff sharing the Gospel.

Sunday morning I went on the DC Prayer Tour with Pastor Jeff and then spoke on Why Evangelize and How to Evangelize at the church before returning home. I really enjoyed my time with Pastor Jeff Wright and the people of his church and appreciate the hospitality they showed me. If you are ever in the Washington DC area I encourage you to take one of the prayer tours that Pastor Jeff Wright leads. You will learn a lot about the area and be used of God in prayer for our nation. Please visit their website (<http://www.natlprayemb.org/index.htm>) for more information.

Teaching on Evangelism

Ever since I got saved in 1981 God has used me in evangelism and I've had the privilege of personally leading thousands of individuals to Christ. Along the way I've learned a lot through my successes and failures. God has told me that now I need to pass on what I have learned to others. To accomplish that we developed our Evangelism Workshop and I have been speaking on evangelism wherever the door is opened.

Recently I spoke on evangelism at South County Christian Church and at Faith Church of St. Louis with Evangelist Arthur Blessit, both of the St. Louis area. This summer I will be teaching a new group of interns at the St. Louis Dream Center the Evangelism Workshop.

Jeff and Arthur Blessit.

Reaping the Harvest, a radio program on evangelism, began airing in five different cities in March. The people in St. Louis, Albuquerque, Mobile, Omaha and Tupelo can listen once a week to a 15 minute teaching that will encourage and give them tools on reaching their world. If you are unable to hear the program we offer a Broadcast CD that includes a month's worth of the teaching that aired for a donation of \$15. If you desire the Broadcast CD, please include your request with your donation and indicate which month you want.

On-Going Activities

Our evangelistic radio program that airs weekly over World Harvest Radio's shortwave signals has expanded with another station. Angel 6 which is directed to Central and North America has just been added. Finding Hope can be heard on Sundays at 7pm on Angel 6. For the schedule of the other five Angel stations, visit our website (<http://jeffgossministries.org>).

We continue to receive new requests for enrollment into Stepping Stones, our Bible correspondence course. Other are making their way through the twelve lessons which cover the basics of Christianity. When they finish the course we send a certificate of completion and a gift.

I also keep on participating in evangelistic outreaches in the St. Louis area.

Thank you!

In anticipation of the busy summer months, as more people are out on the streets, we are ordering "I Went to Hell" booklets by Kenneth Hagin to pass out. An extra gift would be a blessing right now. Your prayers and support are enabling us to have an on effect many people's lives through all that He has given us to do. Thank you so much!

In Christ,

Jeff Goss
