The Harvest is Truly Great

With all the turmoil that seems to be coming on the earth today people are going to be looking for answers. We as Christians have the only answer which is Jesus Christ. For us, this is the greatest time ever to be alive and our best days are ahead of us. For Christians who have been living holy, obedient and giving lives, these days will **even be our most prosperous. So don't fear but rejoice!**

Western Farm Show in Kansas City

I just returned from an outreach in Kansas City ministering at the Western Farm Show with the Fellowship of Christian Farmers. Judging from the large number of people that we saw pray to receive the Lord during the three day outreach, the harvest is accelerating. I believe that it will continue to increase as we get closer and closer to the return of Christ.

*...(God is) not willing that any should perish,
but that all should come to repentance.
2 Peter 3:9*

New Outreaches

We should be witnessing now more than ever before as people in general are going to be more hungry and receptive to the Gospel than ever before. This is one reason why God has lead me to do more outreaches this year. In addition to our normal Friday night outreaches and all the other activities our ministry is involved in I will be going to minister with the Fellowship of Christian Farmers to Salina, Kansas for the 44th Annual Mid-America Farm Exposition March 24th-26th and to Oklahoma City for the Southern Plains Farm Show April 23rd -25th. Please be in prayer for these outreaches.

In Closing

Thank you for making all that we do with your prayers and support. If you are able to give an extra gift it will go towards the upcoming ministry trips and toward sending free Bibles to new Stepping Stones students (our Bible Correspondence course) to those who request one.

In Christ,
Jeff Goss
