Time is Short

Isaiah 24:18b-20 says, "the foundations of the earth do shake. The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again." We have been seeing these scriptures as well as Matthew 24:7, "earthquakes in divers places" come to pass right before our eyes.

God has been turning these tragedies into good. For instance, Haiti, which has been known for centuries as being a voodoo nation and which the Haitian government turned over to the devil hundreds of years ago has now since the earthquake seen thousands of people coming to the Lord. And The Haitian government called for three days of fasting and praying, not to the devil this time but to God.

I believe we need to use these tragic earthquakes as a wake-up call that time is short and that we need to get busy occupying until He comes. Occupying until He comes is not talking about occupying a church pew but telling people the Good News of the Gospel. Remember, the Bible says that our days are all numbered not numberless so, in other words, we only have so much time to preach the Gospel to the lost and then the trumpet will sound and it will be too late to win the lost. I feel more of an urgency than ever before that time is short and that we need to reach the lost.

Recent Outreaches

At the Western Farm Show in Kansas City I prayed with a large number of people, mostly young people to be saved. In a three day period I prayed with nearly 150 people to receive Christ into their life. We also gave out Joyce Meyer magazines and other Christian literature to the people.

A group of about 10 of us went to the second largest Mardi Gras celebration in St. Louis to reach out to the revelers there. Our group was able to pray with some people to receive Christ as well as plant seed in witnessing and passing out a lot of Gospel tracts.

The weather has started to improve so there have been more people on the streets of North St. Louis. As we were preparing to go out to minister one Friday night I prayed that God would lead us to the right neighborhoods and to the right people. We ended up going to some pretty rough areas but we had a lot of good divine appointments. One woman asked specifically for prayer to be set free from alcoholism and close to 20 people prayed to receive the Lord.

Up-Coming Outreaches

- March 23-25, Mid America Farm Expo in Salina, Kansas.
- May 5-7, 3 I Show in Great Bend, Kansas.

On-Going Ministry

Our radio programs go out each week to the whole world through World Harvest Radio, on the internet and to 5 stations in the USA.

God continues to use our Bible Correspondence course, Stepping Stones, to teach people some foundational principles of living the Christian life.

In Closing

All of these outreaches and on-going ministry are very costly. We really appreciate your continued prayers and financial support so that we can keep doing these things and even expand as the Lord leads.

We also have a special need at this time. Our five year old, work horse, desktop computer is needing to be upgraded. It is a vital part of our ministry as we record and produce all of our radio programs on it as well as keep records, etc. If you can help us to replace it please use the enclosed coupon to indicate that is what your gift is for.

Thank you again for your prayers and support!

In Him,

Jeff Goss
