Why Shortwave Radio?

Here in the United States we are blessed with many conveniences that we often take for granted. In most American cities television (with 100+ channels) and radio have become basic necessities. But in many parts of the world the ability to get information and entertainment is limited at best. They have very few choices. It is these people that benefit from shortwave radio. Literally millions of people throughout the world listen to shortwave radio. In some areas of the world, like Africa, shortwave is the primary method of radio broadcasting. In other countries, its audience is growing rapidly. In fact, the number of shortwave listeners in the United States has doubled in the last decade. This audience is expected to double again in the next ten years.

Advantages of shortwave radio

- Millions of people can be reached at one time by one station.
- Many different countries can be reached at the same time.
- Many different cultures can be reached at one time.
- We can reach into countries which would not normally broadcast it because of political reasons.
- Non-Christians are attracted because broadcasts to other nations and cultures bring interest and friendship.
- We can reach the world with the gospel message.
- Shortwave radio is very economical, reaching a vast audience. It is a way to reach the world without the need for travel expenses.

Up-Coming Outreaches

2006 is Off to a Great Start

This year has started with the most glorious 40 day fast I've ever been on. I've had great times of prayer and seeking God. Throughout the fast have felt God's presence in a very strong way and we saw some blessings and breakthroughs in our lives. I know we will reap the benefits of this fast for a long time to come and so will you, our supporters, because I was praying for you all also during this time.

The season of this 40 day fast is almost complete and now I believe I am entering into one of the most powerful times of evangelism that I've ever seen. In fact, it all started last Friday night when I went out with the Street Ministry Team of the St. Louis Dream Center.

One teenage gang member prayed with me to receive Jesus after I had pulled him away from his gang to witness to him one on one. A tear came to his eye after I prayed with him and he put the Bible and Joyce Meyer book I gave him under his coat before we left.

A man said that he read a Joyce Meyer book while he was in jail. He even credits reading the book with his release. He said that he looked at the book everyday after receiving it and finally picked it up to read it. The next day he was released. He liked the book and was glad to be out of jail but still hadn't gotten saved. But the seed of that book had an effect, after talking with us he received Jesus and now his name is now written in the Lamb's Book of Life.

We spoke with a man who said his life was so messed up that he would make a good Jerry Springer episode! I told him my testimony of how God took away my desire for alcohol after giving my life to Him and he told me that when he went out to drink on New Year's Eve he couldn't drink. I told him that he must have a mom or grandma praying for him and he told me that his grandma sends him Bible Studies. He said that while he was in prison he read the Bible consistently but since he got out he hasn't read it. After he prayed to be saved the power of God was so strong that I started wobbling and his face looked shocked!

Glory to God! This is only the beginning of a great year of soul winning.

Jeff Goss Ministries on the Web

We have been working on the creation of a website that is now up and running. It is still in it's beginning stages but can be viewed at: www.jeffgossministries.org.

Your Part

You have a part in this ministry. Your prayers and support are what makes all this possible.

Your continued support will be needed as we reach out to the world via shortwave radio, a free Bible Correspondence Course to help new believers begin their walk with God and the outreaches that we plan on.

Your prayers are also so important. Through our prayers people's hearts will be softened to receive the seed of the gospel.

Our motto is "Rescuing Souls, Giving Hope and a Future". As you are along side us, we can see this vision come to pass.

Your tax-deductible gift can be written to Jeff Goss Ministries and sent to Jeff Goss Ministries, P.O. Box 328, High Ridge, MO 63049. Thank you so much!

In Christ,
Jeff Goss
