Shortwave Radio

Our radio program, Finding Hope, is broadcast on three of World Harvest Radio's shortwave radio stations. Shortwave radio is the only way to hear the gospel for many people around the world because of political or religious persecution or simply because they are in a remote area that does not have local AM/FM radio stations. At the end of almost every program, I invite people to pray a sinner's prayer to receive Jesus as Savior and Lord. Because of your support people in Asia, Africa, The Middle East, Europe, and North America have an opportunity to hear and respond to the gospel message.

Independence Day Outreach

We made approximately 800 tracts that told of how to find true freedom. We passed some out at our church's Independence Day picnic and then we went to the St. Louis Arch where hundreds of thousands gathered to celebrate our nation's birthday. We passed out all of the remaining tracts and then enjoyed the fireworks display.

Up-Coming Outreaches

Please pray for our up-coming outreaches. Pray that many will respond to the gospel, safety as I travel and for the finances needed.

On August 31st - September 2nd I will travel to Amana, Iowa to participate in an outreach with the Fellowship of Christian Farmers at the Farm Progress Show.

At the end of September I and a few other men from our church will join Jerry Holloway of Fisher's of Men in Shiprock, New Mexico for the Annual Shiprock Navajo Nation Fair. Over 100,000 Navajos and other native Americans will be there and we will be there to lead them to Jesus.

Thank You

Thank you so much for your continued prayers and support. You make it possible for us to be able to keep broadcasting Finding Hope around the world, to do outreaches, buy gospel tracts, literature and Jesus Stickers and to operate Stepping Stones, our Bible Correspondence School (we recently had a young man from Africa sign up for it). May God bless your faithfulness.

We also ask that you consider supporting this ministry on a monthly basis or with a one-time gift to help with our expenses. All donations to Jeff Goss Ministries are tax-deductible and can be sent to the address above or a credit card donation can be made from the support page of our website. Thank you for your prayerful consideration.

In Christ,
Jeff Goss

We have available for download a few gospel tracts, instructions for making salvation bracelets, and a card for salvation bracelets. We also have instructions on how to begin a relationship with God, why should we evangelize and how to evangelize. We have had many hits on our website from people looking for salvation bracelets, tracts, and how or why to evangelize. My 25 years of evangelistic experience and knowledge is being spread to the world on a daily basis.
