July 2007

Cinco de Mayo

On May 5th we joined forces with Fisher's of Men Ministries and other ministries for a block party at Bethany Park in Kansas City, Kansas. We ministered to hundreds of inner-city people, mostly Hispanics. Many people prayed to receive Christ into their lives that day through the preaching, drama, singing, and one on one witnessing that went on.

Evangelism Workshops

We are launching a new facet of our ministry, Evangelism Workshops. The topics covered are: why evangelize, myths and excuses, preparation and how to evangelize. God has blessed me with the privilege of personally praying with thousands of people to receive Jesus and I want to pass on the things I've learned through the successes, failures and observations I've had in the last 25 years in ministry. If your church or a church you know of may be interested in an Evangelism Workshop, please contact us. For more information visit the evangelism workshop page our website.

Fair St. Louis

On July 4th we had our annual outreach at the Arch in St. Louis. Hundreds of thousands of people were gathered for a free outdoor concert and fireworks. We passed out approximately 700 Gospel tracts and ministered to others. About 12 African American teens prayed with me to receive Jesus.

Recent Ministry Opportunities

God has opened up great doors for me to minister at the men's rehab home, youth groups and to interns at the St. Louis Dream Center.

Friday Night Evangelism

Here in St. Louis we have a literal explosion of souls getting saved through the Friday Night Evangelism team from the St. Louis Dream Center. I am a route leader and almost every Friday night we have seen anywhere from 30 to 60 people get saved on the streets of North St. Louis.

On-Going Ministry

We continue to have more and more people from all over the world sign up for Bible Correspondence Course we created, Stepping Stones. We also continue to broadcast our radio program, Finding Hope, to every continent in the world on all five of World Harvest Radio's shortwave radio stations. Your faithful support keeps these ministries reaching out to the lost and helping those hungry for God.

You are an Integral Part

With your support we can continue these types of outreaches to the world as well as expand onto more radio stations and outreaches. Thank you so much for your faithful prayers and support. God bless you.

In Christ,
Jeff Goss
